

Forrest County AHS

EDI Studio
2008

Fourth-year fall semester architecture studio that focuses on K-12 design issues, the fall 2008 studio had 15 architecture students. This project included a prototype classroom based on individual students' research into different types of pedagogy. Forrest County

Agricultural High School is one of three remaining agricultural high schools in state. Students from anywhere in Forrest County, including separate municipal districts, may attend FCAHS. EDI provided FCAHS with master plans and vision documents showing how they could potentially develop their campus. EDI vision projects that the Phase I project will include a new cafeteria and new classroom space.
